My dear Christ Church Family –

I really don't know where to begin to thank you for your support. I arrived at VTS feeling enveloped in such a cocoon of love. While I had zero doubt of this, it was affirmed as I listened to the stories and nightmares shared by my fellow classmates. You've been told this before, but I want to reiterate that Christ Church is a SPECIAL PLACE. You have been and remain a constant source and reminder of God's unconditional and ever-present love.

The Seminary Send-off and my last Sunday were more than I could have imagined. Your generosity and kind notes of love and encouragement will uphold me throughout my time here. I brought the notes and cards with me and have them in an "Affirmations Box" that I can access when I'm feeling lonely or doubtful, and I know those times will come… as part of my formation.

I covet your continued prayers during this time and please know you all remain in my prayers and heart while I'm here on the "Holy Hill".

Love to you all!

Molly
