

ALEX

Hello, My name is Alex Jones. I'm currently a sophomore at VSU, majoring in Biology/Pre-Vet. I moved to Valdosta in middle school due to being a military family. I graduated from Valwood in the spring of 2017. When I'm not busy with school, I like to spend my time either relaxing or golfing. I also enjoy watching football and attending baseball games. Another hobby of mine is hanging out with my friends or my fraternity brothers. Within the past year, I've also been blessed with an opportunity to be an intern at Louttit, which we call Grace Cafe. One reason I wanted to pursue this opportunity is because it enabled me to branch out and meet more people. I also get the opportunity to study in a quiet and comfortable place instead of spending the night in the library on campus. Last but not least, I get to watch the youth here grow as they look up to me as a role model.

ANTONIO

My name is Antonio Scantlebury - senior, Mass Media major. I am originally from the Bahamas and moved to Georgia in the 11th grade. A few of my hobbies include, photography, videography and reading. I enjoy being an intern here at Christ Church for so many reasons. Besides the loving church family, and comfortable amenities, there are so many opportunities to just simply put smiles on people's faces. As interns, we get to make students feel welcomed into our church family through Grace Café. In this, we all enjoy sharing the love and blessings of God for his name's sake. I like to be a part of great things, but I believe that the greatest of things happen when we put God first.

CARTER

My name is Carter Brogdon and I'm from Valdosta, Georgia. I'm currently a sophomore at Valdosta State University and I major in Political Science. I'm also currently a SGA senator on the VSU campus. My hobbies are hanging out with friends, playing Madden, and playing with my dogs Tanner and Remington. I would like to be an intern because I like to serve others and I think it will be a good opportunity to become closer to the Lord. I'm very thankful for the opportunity the church has given me.

I am William Tyler Brown, "WIL", son of Hugh and Kay Brown of Brunswick, am nineteen years old and spending my second year here in Valdosta. I am 6'2" tall so I'm good at retrieving things from high places. Computers are my thing and so is chocolate. I am active in our Thursday Dinner Group. I went on the mission trip to Dominican Republic in June. I help with the Wednesday night youth group. I drive a nifty little Mini Cooper.

WIL

Hello, my name is Will Sandridge and I'm from Saint Simons Island Georgia. I love football, free food and fast cars. In my life I appreciate hard work, honesty, and happiness. I'm starting my second year here at VSU, and plan to double major in Finance and Accounting. Some extracurricular activities I am a part of include; Junior Research Analyst in the Investment Club, Social Director for the VSU College Republicans, and a member of the Honors Student Association. Those things may sound impressive, but in the center of all those responsibilities is my relationship with God. I may grow weary and become distracted at times, but I never forget who is in control and who truly loves me. He is the rock I stand on mentally, morally, and emotionally. I can't describe the excitement I had when I was welcomed into this new church and became an intern with Grace Café. I couldn't think of a better place, better time, and better outlet for college Christians to come together and share a meal with their friends in hopes to bring them to Christ. I would like to end by thanking the members of the church for supporting Grace Café and giving us your blessing as we continue to make a difference in students' lives here at VSU. Sincerely, Will (Sandy) Sandridge
