Internship Opportunity

We have a total team of 11 interns. 5 guys and 6 gals. As people graduate or move on, these positions become available.

The Interns work 20 hours in the cafe and attend the weekly church service in exchange for FREE housing. The guys live above the cafe and the gals live in a house close by, an easy walk to VSU campus.

Our Services

At Grace Cafe we understand that food is not always accessible or affordable. We always have food available for students.

FOOD PANTRY AND SNACKS

Our food pantry is always fully stocked with shelf stable items and hygiene items for students to take what they need. We also have coffee and other beverages.

BI-WEEKLY DINNER

Free family-style dinners for college students hosted twice a month. The menu always varies and is sometimes themed.

OTHER EVENTS

We run holiday themed events, art and crafting nights, football watch parties, game nights, cookouts, and movie nights. We are always looking to do more and different things!
