What We Offer:

Join our tight-knit community and become part of our dynamic team of college ministry interns. We currently have positions available, offering off-campus housing in the heart of Christ Episcopal Church. In exchange for this comfortable accommodation, interns will contribute approximately 20 hours per week to various enriching activities within our ministry.

Exciting Roles:

-Grace Café: Our cozy and vibrant hub, Louttit Hall, houses Grace Café—a place where students gather for coffee, drinks, snacks, and most importantly fellowship. It's a place to refuel both your spirit and your studies.

-Thursday Dinners: Dive into the heart of our community by assisting with our legendary Thursday Dinners. These warm, delicious meals are prepared by dedicated members of Christ Church, fostering an atmosphere of shared camaraderie.

-Service Opportunities: Beyond the Café and Dinners, interns will have the chance to engage in various areas of ministry, lending their talents and passion to initiatives that matter.

Inclusivity Matters:

At Christ Episcopal Church and Grace Cafe, we cherish diversity and inclusivity. All students, regardless of faith background, are invited to participate in worship, community activities, and events. Our doors are open wide, and we believe in the strength that comes from a range of perspectives and experiences.
